During the summer, construction work gave our cafeteria a face-lifting, and by registration all was in readiness for the new school year. Colie and his Student Council officers orientated the freshman class, and before long, the school year was well on its way with the presentation of the Football Court and Homecoming.

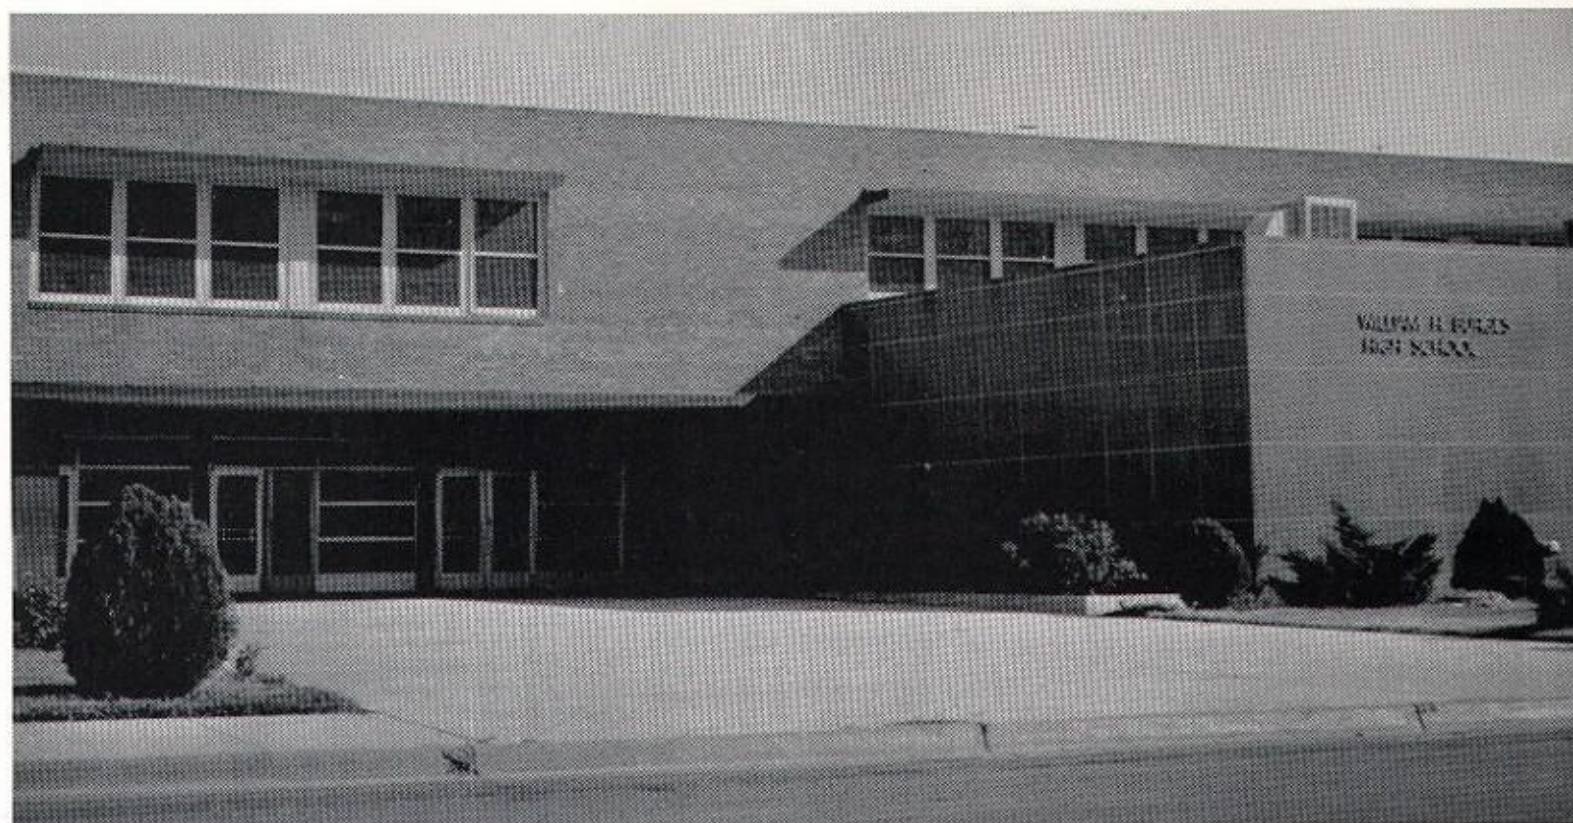

With the events of the year in mind, Hoofbeats will try to present to you School Life, 1964.

BOARD OF EDUCATION

EL PASO INDEPENDENT SCHOOL DISTRICT

Education is not the teaching of students the things they do not know. It is teaching people to behave as they would not provided they were uneducated, and to respond to external and internal stimuli in such ways as to bring about a wholesome environment physically, mentally, and spiritually.

The type of education we hope all receive at Burges is one of perfect exercise of all that is good, brought about by a warm understanding of teachers and fellow students.

Dear Mustangs,

What I could say would be too little to express what I feel for you. To all of you I have a debt I'm afraid I'll never be able to pay. The warmth and friendliness you gave me has a value that can only be realized if you have an experience like mine.

I hope someday, somewhere, maybe in Rio de Janeiro, I'll be able to do for you at least part of what you've done for me. Believe me, I wish I could do more, much more than say thank you. Nevertheless I want you to be sure that my heart will always be in a certain school, in a certain city: Burges H. S. - EL PASO. Although I wish I could do something else, I lack the necessary means to do so. Please forgive me.

*Sincerely yours,
Sergio Fraga*

SWEETHEARTS REPRESENT MUSICAL ORGANIZATIONS

Karen Buckley expresses her appreciation to the choir by saying "I want to thank the finest choir in El Paso for allowing me to represent them as their Sweetheart. It's a memory I will always cherish."

"It is a great privilege for me to represent the Burges orchestra as their 1964 Sweetheart. Under the direction of Mr. Hradek, I am sure that our orchestra will remain one to be proud of," said Claudette upon receiving the honor.

Beverly Wells, a senior, states "I am proud to represent the best band in El Paso, Texas. We have always been on top and will always stay there because of our great band director, Mr. Booth, and the wonderful people in band."

DEBATE TEAM

FRONT ROW, l. to r.: Susan Cook, Bonnie Moore, Linda Rumpf, Sharron Brown, and David Graves.
BACK ROW, l. to r.: Mr. James Boatright, coach, Mickey Sell, Vance Tiede, Joe McCreery, and Leonard Peck.

Although debate is new to Burges High School, a young coach with a beginning group entered competition with admirable results. Joe McCreery and Leonard Peck placed second in a field of nine schools in debates sponsored by radio station KTSM and Texas Western College. Bonnie Moore and Linda Rumpf won in their first try at debating when they took two of three debates in a tournament at El Paso High School.

With such initial successes on the part of inexperienced sophomores, Burges' debating future approaches a bright day. Said Coach James Boatright: "A margin of success is evident."

Leonard Peck throws a puzzler to Joe McCreery.

"Did we ever tell them!"

Lesson No. 1

Burgesites salute the 1963 Mustang Football Squad. An excellent opportunity to gain the school's first district grid title was taken from the team with the cancellation of the Irvin-Burges game, made necessary by the assassination of President John F. Kennedy. Respecting the reason for cancellation, the boys gracefully accepted this "blow from fate." Accepting second place, in spite of holding the best season record in the district, the boys proved what Burgesites have long known: The Mustangs are truly **CHAMPS**.

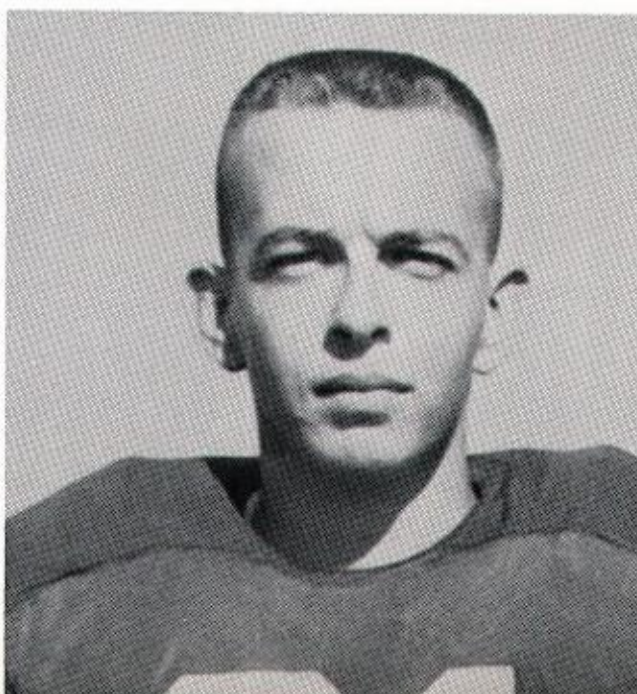

Burges began its season with a close 6-2 win over a surprisingly strong Amarillo Caprock team. Ruben Martinez paced the Mustangs by catching a 44-yard pass which led to the only Burges score. Charlie Kilgore scored the touchdown for the Mustangs.

Bowie, a team Burges had never beaten, provided little opposition as the Mustangs went wild in the third quarter and scored 22 points in their 34-0 conquest. Robert Puffer scored two times and threw for a third to lead the Mustangs' offensive charge.

Next opponent for the Mustangs was Bel Air. The Highlanders managed two first-half touchdowns and held on for a 14-6 win. Burges outdid the Scots in everything except the score as the Mustangs narrowly missed coming from behind for the winning touchdowns.

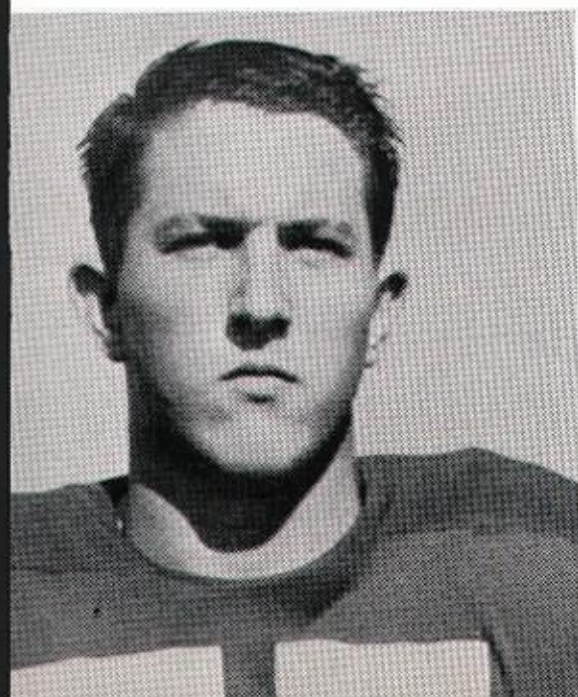

El Paso High was the Mustangs' next opponent. Behind a rugged defense and a strong offense, the Mustangs notched another shut-out, 13-0. Robert Puffer scored the two touchdowns on a 42-yard pass reception and a five-yard run.

In their homecoming game the Mustangs outplayed Jefferson, 36-12, with the highest point output in Burges' short district history. Ruben Martinez and Robert Puffer each tallied twice for the Ponies and Charlie Kilgore also scored a touchdown.

El Paso Tech, fielding a strong team, held the Mustangs for only one touchdown, but that was enough for a 7-0 win. Ruben Martinez scored the sole Burges touchdown as the Mustangs registered their third shutout of the season. Martinez also intercepted two passes.

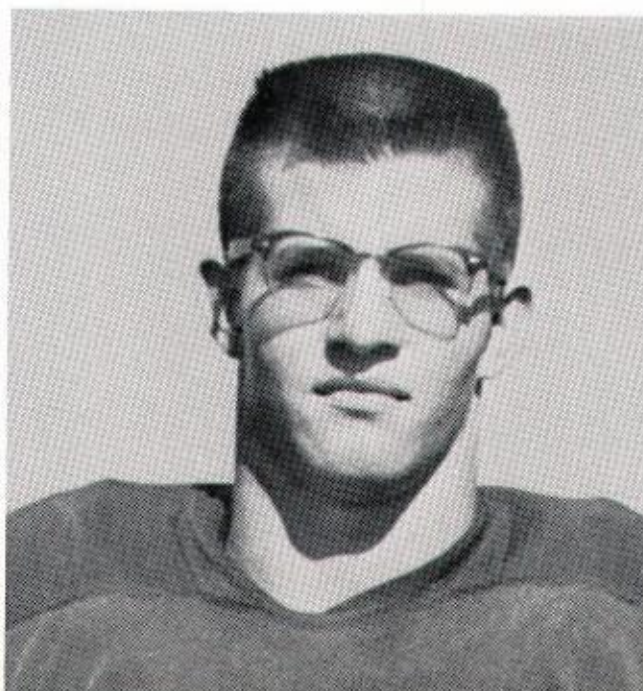

The Mustangs then defeated traditional rival Ysleta, 15-0. The win marked the second shutout in a row for the defense and fourth for the season. Puffer scored both Burges touchdowns and Rodger Stanberry scored a safety in Burges' sixth win of the season and fourth in succession.

Burges met Eastwood on a rain-drenched field and defeated the Troopers, 27-0. Held scoreless in the second half for the win. Charlie Kilgore, Carlos Villalobos, Jim Eveler, and Robert Puffer each scored.

Burges marched to its eighth and final win over the Austin Panthers, 21-6. Austin, a team which had never lost to the Mustangs, was no match for the strong Mustangs. Where can I hide my cheat sheet?

Complete concentration . . . ?

A black and white photograph of a classroom. In the foreground, a student is seated at a desk, viewed from the side, wearing a striped dress and glasses. A typewriter is on the desk. In the background, other students are seated at desks, and a large window with multiple panes is visible. A black triangular graphic with the word 'SOPHOMORES' is overlaid in the bottom left.
